

Removed two houses from our future building site and converted a house to Owl Center use.

**With your support in 2021 we:**

Held an architectural contest to address challenging design needs for our future facility.

Created an anatomically accurate giant owl eyeball replica.

Catalogued the Krohn collection of owl memorabilia from around the world.

Created an "Owls of Serbia" T-shirt for International Owl Awareness Day, with half of all profits going to owl education in Serbia.

#### WE ALSO

- Published a paper on owl education methods around the world
- Educated 13,000 people through live programs on-site, off-site, and online
- Helped transport 15 injured raptors to rehab centers

#### OUR WEBSITE TAUGHT

- 105,000 people why owls don't make good pets
- 9,900 people how to help an injured owl
- 8,000 people how to observe owls respectfully
- 833 people how to live an owl-friendly life

Documented Barn Owls in five locations in southeastern Minnesota and the first Barn Owl nest in Wisconsin in 22 years

# With your financial support in 2022 we will:

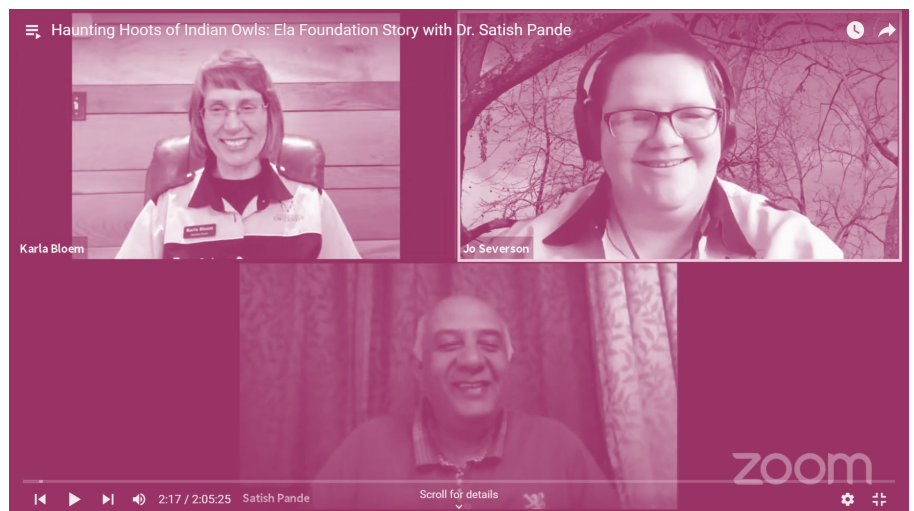

Develop architectural plans for our future center.

Have eight more species of owls mounted, including a Spotted Owl!

Take good care of our seven captive owls.

Continue our free Virtual Owl Expert Speaker Series.

Publish more scientific papers based on our research.
